

BILL NO. R-68-05-19

RESOLUTION NO. R- 16-68

A RESOLUTION authorizing the filing of an application for a Code Enforcement Grant, making necessary findings therewith and authorizing and directing the Department of Redevelopment to enter into a contract or contracts with the U.S. Government for a Code Enforcement Grant.

WHEREAS, Section 117 of the Housing Act of 1949, as amended, authorizes the Secretary of the Department of Housing and Urban Development to make grants to municipalities and counties to assist them in carrying out programs of concentrated code enforcement in deteriorated or deteriorating areas in which such enforcement, together with certain public improvements to be provided by the locality, may be expected to arrest the decline of the area; and

WHEREAS, it has been found and determined by this body that there exists in this locality certain deteriorated or deteriorating areas for which a program of concentrated code enforcement, combined with certain public improvements, may be expected to arrest the decline of the area; and

WHEREAS, it is recognized that the grant of funds pursuant to Section 117 will impose certain obligations and responsibilities upon the City of Fort Wayne, among which is the obligation to assure that any persons who may be displaced as a result of the code enforcement and public improvements programs are relocated into decent, safe and sanitary housing in accordance with the regulations of the Department of Housing and Urban Development; and

WHEREAS, Title VI of the Civil Rights Act of 1964, and the regulations of the Department of Housing and Urban Development effectuating that Title, provide that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the undertaking and carrying out of any program or activity receiving Federal financial assistance under Title I of the Housing Act of 1949, as amended:

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

1. That an application be filed with the Department of Housing and Urban Development on behalf of the City of Fort Wayne for a code enforcement grant under Section 117 of the Housing Act of 1949, as amended, of two-thirds of the cost of undertaking and carrying out a code enforcement program, which cost is now estimated to be \$2,052,359, and a Federal Relocation Grant in the amount of \$113,460, as well as a Federal Rehabilitation Grant in the amount of \$450,000; in an area or areas to be designated and specifically described in such application, and that the Executive Director of the Department of Redevelopment is hereby authorized and directed to execute and file such application, to provide such additional information and furnish such documents as may be required by the Department of Housing and Urban Development to execute and file requisitions for funds, and to act as the authorized ~~representative~~ representative of the City of Fort Wayne

in the accomplishment of the code enforcement program.

2. That the Department of Redevelopment be and hereby is authorized and directed to enter into a contract or contracts as may be necessary for the Grant applied for, with the U. S. Government.

3. That during the period of the contract for the code enforcement grant the City of Fort Wayne will maintain a level of expenditures for code enforcement activities, exclusive of expenditures in any federally assisted code enforcement or Title I urban renewal project areas, that is not less than the average yearly expenditure for such activities throughout the locality for the two full fiscal years immediately preceding the filing of the application.

4. That the locality has a program for and will provide in a timely manner all necessary public improvements for the code enforcement area.

5. That there exists in the locality an adequate amount of decent, safe and sanitary housing which is available to persons displaced as a result of the code enforcement and related public improvements programs, at prices which are within their financial means and which are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced individuals and families, and it is the sense of this body that such displacees, if any, will be relocated in accordance with applicable regulations of the Department of Housing and Urban Development.

6. That the United States of America and the Secretary of the Department of Housing and Urban Development be and they are hereby assured of full compliance by the City of Fort Wayne with regulations of the Department of Housing and Urban Redevelopment effectuating Title VI of the Civil Rights Act of 1964.
